PROFESSIONAL FASTENING SYSTEMS

305 Stainless Steel Cabinetry Screw

Round Button Head

The Aesthetic Design Head shaped to fit a neat design in cabinetry, furniture and more. The head is bold to show its shape and decorates on visible surfaces.

Graduated Shoulder

The bigger head increases holding power on the wood, while the graduated shoulder from head to shank ensures maximum strength of the fastener head.

Available in 1lb, 5lb and Bulk

305 *The advanced Cabinetry Wood Screw for* ***saltwater or typical corrosive environments****. Use them on any size job or project. Great for any size job or project.*
